Packets, Packets, everywhere! It is important that the Officer packets received at District Workshop reach the correct officer or director in each county. These packets contain vital information about deadlines, upcoming events, forms, and IAHCE happenings. The information in each packet should also be shared at your county board meeting as well as with all your units. These packets are a vital link between the state board and each and every member. PLEASE take the time to read each packet completely and SHARE IT!

International News:

The ACWW Logo has changed but will not be used until January 2023 so I'll introduce it at August workshops. Also the 6 funding categories have been reduced to 3, again an explanation in August when we will also introduce the next Country of Study.

Hope you're enjoying your tour of ITALY. Hasn't it been interesting learning about this beautiful country!

Please let me know if you or your county has planted any trees in recognition of Earth Day 2022 in relation to the lessons given at conference by Eleanor Gregory or me.

Looking forward to seeing you in August!

Janel Kassing
International Director

The IAHCCE State Board met at The Three Pines Air BnB in Petersburg June 13-16. Members of Sangamon County HCE and several SCAHCE Board members provided two delicious dinners for the board. Your IAHCCE board spent an intensive 3 days planning our August workshops, coordinating program ideas for the upcoming year, working on details for the 99th Annual conference in March 2023 as well as dreaming of our 100th IAHCCE Annual Conference in March 2024!
