HCE offers research-based programs to all people through our cooperation with the University of Illinois Extension. Belonging to HCE is a learning and rewarding experience.

Unit Members are individuals who belong to a county HCE Unit.

Mailbox Members are individuals who receive their educational lessons through the mail/email. They can be targeted groups, special interest groups, or individuals.

INFORMATION ON COUNTY MEMBERSHIP REPORT FORMS

County membership reports have been simplified. Only an annual report is required. At the District Workshop, the **IAHCE State Dues Transmittal and Year–End Membership Form** will be in your Membership Packet. In the workshop for Second Vice President we will go over the form.

Your IAHCE Second Vice President will place the starting figure on the report. **It is not to be changed!** If however, you find an error, contact your District Director or State Second Vice President and they will work with you to correct it.

You will need to keep track of the number of new members and the number you have lost in order to complete the form. Please be sure to give the correct number of units you have as an award is based on this information.

All you need to do to complete the form is to put in the number gained, the number lost, and the total number as of the correct date, as well as the number of units.

This system seems to be working. As with anything that undergoes a change, there have been a few problems, such as “old forms” being used or numbers changed.

Please remember the forms should go to the IAHCE 2nd Vice President, not the District Director!

NOTE: Copy the Membership Report Form from the Guidebook only if you have lost the original one given to you at District Workshop.

- July 1 for August (Summer) mailing
- November 1 for December (Winter) mailing

If your article is not received before the deadline (postmarked by the due date) there is no guarantee that it will appear in that issue. Same deadline dates apply to Subscriptions!

State Newsletter will be available at www.iahce.org the first day of May, August and December.

PREFERRED WAY IS TO SEND ALL ARTICLES TO THE STATE PUBLIC RELATIONS DIRECTOR BY E-MAIL OR TYPED. The preferred way to send your articles is to be sent by e-mail to the Public Relations Director. Address of the Public Relations/Newsletter Editor is found on page 1 of this Guidebook. When sending by e-mail write the article in a word document and then attach to your e-mail. A double spaced, typed article is the next best way to send your article. If you cannot type, see if you can find someone in your county who does type. Typing the articles will insure the correct spelling of names and other pertinent information. Your article will still be acceptable if written legibly.

SUGGESTED ACTIVITIES:

1. County PR or appointed person should see that regular articles are properly prepared and sent to the Editor on programs and activities in which your county has participated.

 - d. Place name and address on back of your photos. They will be returned to you either at the District Meeting or Annual Conference. (Self-addressed stamped envelope can also be used.

CERTIFIED VOLUNTEER HOUR (CVH) PROGRAM

HISTORY

This program was previously called the Certified Volunteer Unit (CVU) Program. A Certified Volunteer Unit (CVU) was similar to the (CEU) Continuing Education Unit used to recognize individuals for completing adult and continuing education programs. In the past it was used for homemakers without any higher education or work experience to gain employment. A CVU is equivalent to 10 hours of volunteer time. Since CVU's are no longer used by the homemaker today to gain employment, it is felt by this 2009 IAHCE Board that volunteer hours should be recognized rather than the confusing volunteer unit system.

WHAT IS A CVH?

A Certified Volunteer Hour is an hour spent in preparing to conduct a volunteer activity and an hour spent directly in volunteer work. Both of these activities can be counted. Hours of service include time devoted to the county and state Home and Community Education organization as well as other volunteer groups. For example – hospital, school, church, senior citizens, scout leader, 4-H, civic, etc.

WHO CAN PARTICIPATE?

All Illinois Association for Home and Community Education members may participate. Participation is voluntary. Each person that participates is responsible for keeping his/her records of volunteer service.

WHAT IS THE PURPOSE OF THE CVH PROGRAM?

The program is intended to help you recognize your personal growth in volunteer leadership skills. It also recognizes and enhances self-esteem for participating members. This program is also a way of showing appreciation for valuable and essential services rendered by volunteers.

WHAT DOES NOT COUNT TOWARD A CVH?

Anything that is done for a family member.

WHAT COUNTS AS VOLUNTEER TIME?

The time you contribute without pay to others through HCE (unit, county, state) and activities in other organizations count as volunteer time. You cannot receive any pay for your work, but you can be paid for your out of pocket expenses while serving as a volunteer. It is the service to others that must be voluntary.

WHAT ARE THE CATEGORIES OF VOLUNTEER SERVICE?

1. Teaching and training – Includes all activities directly or indirectly related to teaching or training, telling or demonstrating specific skills or information. The initial presentation should include preparation time. Subsequent preparation should include only actual time spent in delivery of lesson.
Examples:
 - Preparing curriculum materials for training.
 - Delivering a training session or lesson.
 - Presenting a planned demonstration.
 - Presenting a talk to an organization.
 - Training officers and education program chairmen.
 - Developing or writing handbook, training guides, promotional materials, brochures, and questionnaires.
 - Evaluating, analyzing and summarizing results and survey documents.

2. Public Relations –Includes all activities directly related to publicizing, promoting and/or improving the image of a specific individual, organization, or agency either locally, statewide, or nationally as part of a planned program or project.
Examples:
 - Writing and/or delivering a radio or TV production.
 - Coordinating a speaker's bureau.
 - Speaking at an organizational meeting.
 - Preparing brochures, posters, and newsletters.
 - Speaking at governmental meetings.
 - Recruiting new members.
 - Conducting oral history projects.

3. Administration, Organization and Management – Includes all activities directly or indirectly related to organizing, managing or coordinating the activities of a project or service as an officer or chairing a committee within a unit, county, or state HCE. Serving as an officer or chairman in another volunteer organization also counts.
Examples:
 - Serving as an officer or chairman for an HCE unit, county association, or other volunteer groups.
 - Organizing a fund-raising drive.
 - Managing the budget for an activity, project, or fund-raising drive.

WHAT ARE THE CATEGORIES OF VOLUNTEER SERVICE?

Page 2

- Organizing a telephone survey.
- Organizing a petition to government officials.
- Organizing a membership recruitment drive.
- Organizing a community improvement project.
- Facilitating arrangements for an event (contacting speakers, making physical arrangements, etc.).

4. Other Community Service – Includes all activities directly or indirectly related to serving or providing services to other persons in a specific client population, the community at large, state, or region.

Examples:

- Organizing and participating in fund raising for community projects.
- Participating in community improvement projects, such as crime watch, neighborhood cleanup campaigns, supporting volunteer fire departments and rescue squads.
- Providing companionship for shut-ins and aged.
- Giving telephone guidance and reassurance (hot lines).
- Adopting an underprivileged family and serving as a problem solver for them.
- Stimulating community interest in government.
- Assisting in voter registration.
- Engaging in lobbying and proposing legislation.
- Serving on advisory bodies to government.
- Organizing self-help groups.
- Forming coalitions for planning and action.
- Participating in club or community efforts to appreciate people of different races, cultures, or locations.
- Promoting urban/farm youth and family exchange visits.
- Other (specify) (i.e. Religious organization service activities such as food pantry, clothing exchange, recycling, etc., which serve others.)

HOW DO I RECORD MY VOLUNTEER TIME?

You will have to develop a system that works for you and discipline yourself to use it. Use a pocket calendar, appointment book, or index cards to record volunteer service information. Carry it with you at all times for recording dates and activities on the road.

CERTIFIED VOLUNTEER HOURS MADE EASY

The equation is simple: (the activity) + (travel and preparation) = number of hours.

If your activity requires an overnight stay (such as IAHCE Annual Conference), only your sleeping time is not included in your number of hours.

Yes, you, as a member of HCE, are a volunteer. You attend your unit meetings and you attend other activities: Lessons for Living, Membership Tea, etc. Take a sheet of paper and label it "(Your Unit's name) HCE Unit". Keep a running list of each activity and its hours for HCE.

Do you serve on the County HCE Board? If so, take a separate sheet of paper and label it "(Your) County HCE Board". Activities here would include County Meetings, District Workshops, IAHCE Annual Conference, and your County Board work. As with your unit work, keep a running list.

Do you volunteer at a nursing home or hospital? Make a separate sheet for each category.

Your church work and church groups count also, as well as with any other volunteer club.

Did you help 4-H or serve as a judge for the County Fair? Do you volunteer for PADS, FISH, or BEDS? Do you assist a friend or neighbor? Are you involved in Hospice?

By now, you should get the gist of keeping your CVH hours. The categories are endless. Only family activities do not count. Keep all of your sheets together.

Note: A member submitting their volunteer hours may claim up to the last 3 years of volunteer time not previously reported. Names of people with hours over 1000 for current year will be in the newsletter. Previous years will count for individual to receive certificate and seals. The Certificate of Recognition will be issued for the first 500 hours. For each additional 500 hours an embossed seal will be issued for you to attach to your certificate. The Certificate and 4 seals represent 2500 hours of volunteer service.

At the end of the year, transfer monthly totals to your Individual Volunteer Hour Summary sheet (page 56). Complete this sheet and give to your unit CVH chairman in December.

Unit chairman will pass individual summaries to the county CVH director (or county president if no county director).

County CVH director (or president) will fill out County Volunteer Hours Summary (page 56) rounding up partial hours and listing members alphabetically by last name.

Fill out completely and send to state CVH director on or before January 5th deadline.

State IAHCE CVH/Sales director is listed on page 1 of Guidebook.
